About Me

Enthusiastic and self-driven, I am a passionate individual with a keen interest in coding and continuous self-learning. Seeking opportunities to contribute my evolving expertise and dedication to excellence in a dynamic coding environment.

Skills

- MERN stack
- core Java | OOP in java
- Data Structures in java
- Web Development

EDUCATION

- **Bachelor of Technology**

Velammal College of Engineering and Technology 2021-2025
GPA-8.63

- **Higher Secondary**
VMJ School(ISC).
percentage-93.6

- **Secondary**
AJ School(ICSE).
percentage-86.83

SOFT SKILLS

Self-Motivated

Hardwork

Multi-tasking

Problem Solving

PROJECTS

E-commerce website

Designed and developed the Cosmos e-commerce website, leveraging advanced technologies including React, Redux, MongoDB, Express.js, and Node.js. Engineered a resilient architecture to optimize user experience, streamline state management, and facilitate seamless communication between the front-end and back-end components.

Portfolio website

Designed and developed the Cosmos e-commerce website, leveraging advanced technologies including React, Redux, MongoDB, Express.js, and Node.js. Engineered a resilient architecture to optimize user experience, streamline state management, and facilitate seamless communication between the front-end and back-end components.

INTERNSHIP

BLAZE WEB SERVICES

I successfully designed and developed a personalized portfolio website featuring an innovative theme customization capability. Utilizing React.js and following Google's design principles, I contributed to the enhancement of user engagement through a seamless and visually appealing user interface. This hands-on experience allowed me to apply my coding skills in a professional setting, showcasing my ability to deliver projects with creativity and technical proficiency.

ACHIEVEMENTS

Won II Prize in bug bounty, a coding and debugging contest held at Anna University regional campus ,Madurai.

Won II Prize in IDEA FACTORY , a hackathon held at velammal college of Engineering and Technology,Madurai
